## Experience

---

### United Nations High Commissioner for Refugees (UNHCR) Communications Associate

March 2025 — December 2025

- Formatted documents such as fact sheets, presentations, and flyers to inform and influence congressional and private sector partners.
- Managed UNHCR's U.S. website, utilizing basic HTML to create new landing pages, produce website content for events, and maintain homepage updates.
- Redesigned and updated UNHCR's monthly partner newsletter through Klaviyo.
- Produced outreach and engagement materials, including infographics and social graphics.

### Middle Seat • Temp Graphic Designer

July 2024 — November 2024

- Designed and animated eye-catching layouts for digital advertisements, emails, and social graphics which garnered over 100k interactions across clients.
- Explored creative messaging for merchandise while utilizing illustration to bring ideas to life and produced print-ready files for logos, stickers, tote bags, yard signs, t-shirts, billboards, and vehicles.
- Edited and captioned videos for direct-to-consumer ads and produced simple motion videos to connect with and engage viewers on streaming platforms.
- Delivered graphic products to our clients within a 1–2 hour window for rapid creative requests.
- Altered and adjusted photographs to provide on-brand or unique imagery for ads and emails.

### Visit Corpus Christi (VCC) • Graphic Design Intern

January 2023 — June 2024

- Conceptualized and designed branding for VCC's sub-brands featured in Texas, Florida, and Kansas.
- Collaborated with the creative team to produce marketing materials for branded events.
- Curated landing pages and updated VCC's website and microsites to improve marketability and accessibility.
